

BRYAN O'SULLIVAN
COLLECTION

ACE

Designed to feel equally at home in formal and informal settings, the Ace collection offers a relaxed approach to contemporary living. The sofa, armchair and ottoman share a carefully balanced silhouette that combines structure with softness, creating pieces that feel welcoming without demanding attention. Their enduring appeal lies in this sense of restraint; comfortable, versatile and characterful. Created to be lived with every day, the collection settles naturally into a space, bringing warmth, ease and a lasting sense of refinement.

PRODUCT INFORMATION

Description

The Ace collection brings together sofas, armchair and an ottoman that share a common design language rooted in comfort, craftsmanship and understated elegance. Defined by relaxed proportions, soft curves and inviting upholstery, each piece is designed to create a sense of ease within the home while maintaining a refined and timeless presence.

A distinctive feature of the collection lies in its sculptural brass feet. Hand-cast by a master goldsmith and jeweller, these carefully crafted details introduce character and artistry to otherwise functional elements, creating moments of interest that

reveal themselves over time. Their warm finish provides a subtle contrast to the softness of the upholstery, reinforcing the balance between structure and comfort that defines the collection.

Made in England and upholstered with exceptional care, the Ace collection embodies a gentler approach to luxury. Whether creating a complete seating arrangement or used as individual pieces throughout a home, the sofa and armchair are united by a shared commitment to comfort, longevity and craftsmanship, designed to settle naturally into everyday life while retaining a lasting sense of sophistication.

Maintenance

CAST BRASS
Wipe with a soft, dry cloth. A natural patina will develop over time and should be embraced. To remove, use a brass polish such as Brasso, then reapply Renaissance Wax. Never use ammonia-based or abrasive cleaners.

FABRIC
Regularly dust with a soft cloth or low-suction vacuum. Blot spills immediately with a clean, damp cloth and do not rub. Avoid harsh detergents and prolonged direct sunlight.

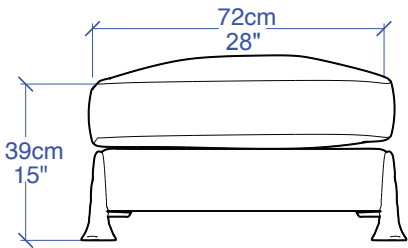

Performance

Manufactured in compliance with the UK Furniture and Furnishings (Fire) (Safety) Regulations for domestic residential use.
