GRAY

A close-up photograph of a modern chair's backrest and seat. The chair features a dark blue, textured material, possibly leather or faux leather, which is framed by a highly reflective, polished chrome metal. The lighting is soft and directional, coming from the upper left, which creates a bright highlight on the top edge of the chrome frame and casts a subtle shadow on the blue surface. The background is a plain, light-colored wall, providing a clean, minimalist aesthetic.
